Thanks again for sharing your home with us. We had
a wonderful week. Kate (now 2 yrs old) loved playing
in the waves and we couldn't keep her out of the pool.
We even saw some whales splashing & playing! It was
a great vacation and we appreciate your hospitality.

Aloha Oscar, Jackie & Jill

Mahalo for opening & sharing your Beautiful Maui Home to us. We had a fabulous time enjoying the Sun and Surf! The snorkeling was great and the boys had a blast jumping off "Black Rock" and boogie boarding. Cheese Burger in Paradise was great, Mahalo for the Gift. Unfortunately we have to leave tomorrow but it has been a wonderful, relaxing

and enjoyable vacation with a lot of great memories for our family. Our boys made friendships with other children, from California which we hope that they can continue. Hopefully they will meet again next year, would be great to come to back. This is a vacation to Remember!

Aloha and again Mahalo for all your kindness.

Wyatt and Nash

P.S. We couldn't ask to spend our Birthdays in any better place than Paradise!
