

ASSOCIATION OF APARTMENT OWNERS OF HALE KAAPALI DBA

MAUI KAAPALI VILLAS

9/13/18

Aloha Maui Kaanapali Villas Owners and Guests,

We hope this notice finds you and your families well. As many of you have read recently from our Board President, Mr. Crowe in his most recent letter, there are a few exciting improvements taking place on our beautiful property. In addition, we have just confirmed a pool plaster project which may impact you and our guests.

Specifically, the main oceanfront big pool requires new plaster. Please accept our apology for short notice; however, we needed to confirm the dates with the contractor for the work and plaster material prior to sending out this notice.

Our second pool located at Coconut and Banyan will remain open and available for use during this time.

Big pool closure dates will be Sunday October 7, 2018 till approximately Friday October 26, 2018 with the intent of re-opening sooner. Work is scheduled Monday through Friday from 8 am – 5 pm with loud noise limited to 10 am – 4 pm. The most disruptive construction noise is during the week of October 8 to 12 from 10am – 4pm. The following weeks of work will be prepping for the application of the new plaster and applying the new plaster. The new plaster will be beautiful and enhance our guest pool experience in the future.

Please feel free to contact me with any questions or concerns you have regarding this project. Hal.Nordblom@aqua-aston.com – 808-442-6015

Thank you,

Hal Nordblom
General Manager

*please note the project and schedule are subject to change based upon weather, contractor schedule and project findings outside of the AOA control. Updated details, daily management and owner or guest service will remain our focus during the project.
